

EMPIRE SHIELD SOLUTIONS LLC

CAPABILITY STATEMENT

Veteran-Owned Business • Government Contracting • Security • Facility Services

COMPANY OVERVIEW

Empire Shield Solutions LLC is a veteran-owned business built on discipline, accountability, and mission-focused execution. We provide dependable operational support, security services, facility solutions, procurement support, and emergency response capabilities for government and commercial clients nationwide. Our military background drives a culture of integrity, professionalism, and consistent results across federal, state, local government, critical infrastructure, and commercial environments.

CORE CAPABILITIES

- **Security Services.** Patrol services, site monitoring, access control, and operational security.
- **Facility Support Services.** Building operations, maintenance support, and operational readiness.
- **Janitorial Services.** Commercial cleaning, custodial support, and sanitation programs.
- **Procurement & Supply Solutions.** Strategic sourcing and distribution of operational supplies.
- **CCTV & Access Control.** Installation, monitoring, and integration of surveillance systems.
- **Emergency & Disaster Response.** Rapid-response logistics, mobilization, and recovery support.
